

Mac Valley Oil Company 2009

Dear Customer:

As you are aware, your business/farm qualifies to accept tax red dyed C.A.R.B diesel either in whole or part for your dedicated off-road motor fuel use. The consequences (fine & penalties) are great for using tax exempt dyed C.A.R.B diesel in an "on road" use (\$10/gal. -\$10,000 for starters). With this in mind, please fill out the following and mail back to Mac Valley Oil as soon as possible. Thank you.
